

BLACKSMITH'S FIELD ANNUAL REPORT MAY 2025

Blacksmith's Field has continued to be a place for everyone to enjoy all year round. The enhancement to the play equipment of a zip wire and basket ball net has proved to be very popular and the goal posts are in constant use.

Roger Beecroft is managing the wildings and the pond is looking healthy from the work he carried out last year.

There are a number of benches and picnic tables around the field to cater for everyone.

Once again Bonfire Night was a huge success and this year on Saturday 21 June the village will be celebrating Suffolk Day, which will offer something for everyone including a dog show, Wattisham Military Wives choir and so much more.

Unfortunately litter continues to be a problem, despite a bin being sited by the exit.

Cllr Jan Palmer
