

Report of the Creeting St Mary Welfare Charities

Over the course of the past 12 months, the long-serving Clerk to the Trustees, Dave Primmer has stood down from his role. Members of the Parish Council will be aware that Dave provided highly competent and distinguished service to the charities over many years.

Our key statistics for 2024, were that **15 grants** were made totalling just **over £3642**.

They comprised hardship, incapacity, retirement and student grants.

We were pleased to receive some lovely letters of appreciation from the beneficiaries, demonstrating the value of the work performed by the charities.

The charities hold just over **£227,000** in various investment and deposit funds which generates an income annually to fund the grants.

The administration of the charities is overseen by our trustees who are Pam Day, Rachel Craggs, Kathryn Hartley and Paul Stephenson.
