

Local Government Reorganisation – latest

Feedback from the Government on MSDC interim plan for local government reorganisation, submitted in March, has now been received. It provides information on the more detailed information and supporting evidence is required in the September submission. MSDC continues to work with the other district and borough councils to progress the proposals for either two or three unitary councils to meet the differing needs of our county's diverse communities.

An important part of this process will be seeking the views of our town and parish councils, and the residents, businesses, organisations and communities across our districts.

We will be in touch over coming weeks with further information. Please look out for more details soon.

New regional mayor can bring benefits – but local views must be heard, councils say

The Government's proposed new Mayor for Suffolk and Norfolk can bring benefits to the region, but local communities must be fairly represented.

New-look grant sees more than £580k given to community projects

From filmmaking workshops to mental health support for young people, dozens of community projects across Babergh and Mid Suffolk have received a share of more than £580,000 as part of a new grant from the district councils.

HOWZAT! A net result for new sports facilities in Stowmarket

Members of Stowmarket Cricket Club joined councillors from Mid Suffolk District Council this week to celebrate their new cricket nets – part of the council's investment in a range of improved sport and wellbeing facilities for the town.

Free leisure centre memberships for those living with Parkinson's

Leisure centres in Mid Suffolk are offering free memberships to people living with Parkinson's.

New grant offers significant funding for sporting opportunities across Mid Suffolk

Sporting infrastructure in Mid Suffolk is set for an overhaul thanks to a new grant offering significant investment in major projects.

Cash injection for communities in Babergh and Mid Suffolk

Town and parish councils in Babergh and Mid Suffolk are set to receive more than £813,000 in developer contributions to help community infrastructure keep pace with housing growth.

£100k awarded as culture prioritised in Mid Suffolk

Preserving East Anglian traditions, supporting dance-based dementia sessions and getting children involved with theatre and the arts are among the ways Mid Suffolk District Council is investing in the district's culture.

Solar partnership brings boost for businesses

A new pilot partnership is set to turn solar energy into savings for businesses in Babergh and Mid Suffolk.

Free access to leisure facilities for community champions

Unsung community heroes across Mid Suffolk are being urged to step forward for a groundbreaking new scheme offering free access to local leisure facilities.

Grant Funding Surgeries
